This is to confirm that Ms Nhlanhla Mathibela, (Student number: 217203337) has served as a Mentor at Lebombo residence at the Nelson Mandela University (NMMU), from January to November 2021.

I was always very satisfied with the work done by Ms Mathibela as well as the manner in which she performed required tasks. She was definitely one of my most assertive, and approachable mentors.

Should you have any queries, please feel free to contact me on the provided contact details.

Kind regards

Mrs Leonie Beckett
Residence Manager: Lebombo Residence

To whom it may concern,

RE: Letter of Recommendation

It gives me great honour to provide you with this letter of recommendation for one of our Top presenters in South Africa. Since interviewing Ms. Nhlanhla Mathibela last year for her application as a Presenter and Youth mentor for Elevate Education, I knew that she would get this job and exceed as well. 9 months down the line Nhlanhla has proven to herself and to the company that we made the right choice. She has been presenting study skills to students across the Eastern Cape and has had an aggregate of 98% in her teacher and student feedback. She continues to be of great value as she is always willing to help her fellow colleagues as well.

I have been really impressed with Nhlanhla as her manager and trainer. I believe she is going to do great things in the world because she has been doing phenomenal things in her places of influence and community. On a personal note, one thing I have learnt from Ms Mathibela is that one must never stop until they get it right, not perfect but just right.

I and 500 of all our presenters in Elevate recommend Ms Mathibela of your program because we know that she will make the best out of it and continue to change communities for the better.

Sincerely,

Siya Khanyile
Head of Talent
Elevate Education (South Africa) Pty Ltd

To encourage meaningful learning as a result of Co-Curricular Involvement, the Co-Curricular Record features Learning Outcomes that identify students' learning through involvement experiences. The following guide identifies Learning Outcomes and Development Indicators to help you better understand the learning that can occur in student involvement. Learning outcomes can be likened to transferable skills and help develop students in a more holistic manner. Students should be prepared to discuss their experiences in order for you to access their learning in the identified areas.
